Apprenticeships

Horse Care Apprenticeships

Poultec has a track record of successfully delivering Apprenticeships for more than 10 years. Not only can we deliver the training required but we can also assist the employer in the recruitment of the Apprentice.

Poultec offers both the Level 2 Intermediate Apprenticeship and the Level 3 Advanced Apprenticeship which includes the following qualifications;

Level 2 Intermediate Apprenticeship,

- Level 2 Diploma in Work Based Horse Care
- Level 2 Certificate in the Principles of Horse Care
- Level 1 Functional Skills Maths & English

Level 3 Advanced Apprenticeship,

- Level 3 NVQ Diploma in Work Based Horse Care & Management
- Level 3 Certificate in the Principles of Horse Care & Management
- Level 2 Functional Skills Maths & English

in Horse Care

Level 2 Diploma

Level 2 Diploma in Work Based Horse Care

The Level 2 Diploma in Work Based Horse Care aims to meet the needs of learners who work or want to work in the equine industry. It allows learners to learn, develop and practise the skills required for employment and/or career progression in the equine industry.

Delivered and assessed in the workplace, it is designed so that individuals can gain the knowledge and competence needed in a work-based setting. The pathway and units within the Diploma are selected to ensure that they fit around the learner's workplace and are selected in consultation with both the employer and the learner. Pathways available are;

- Horse Care
- Riding
- Breeding

in Horse Care

Level 3 Diploma

Level 3 NVQ Diploma in Work Based Horse Care & Management

The Level 3 Diploma in Work Based Horse Care and Management aims to build on the skills and knowledge gained either through the Level 2 or prior experience in the equine industry. It allows learners to develop skills and gain knowledge to be able to manage a team and assist with the day to day running of a yard. Units within the Diploma are selected to ensure that they fit around the learner's workplace and job role and are selected in consultation with both the employer and the learner. Pathways available are;

- Horse Care and Management
- Horse Care and Management (Riding)
- Horse Care and Management (Breeding)
- Horse Care and Management (Coaching)

in Horse Care & Management

Mobile Learning Vehicles

Poultec has invested in three training vehicles, enabling our tutors to take state-of-the-art learning and support facilities to any location. Each vehicle is a tailor-made learning environment, which can also be used for a variety of other purposes.

- **The IT Vehicle** is ideally suited for delivering IT based training in both the community and the workplace and contains high specification laptop computers which provide workstations for ten students and one tutor.
- **The Hospitality Vehicle** is a fully-functioning commercial kitchen on wheels.
- **The Information Vehicle** has been developed as a resource for providing information advice and guidance but can also double as a classroom or mobile office / meeting room.
