Hospitality & Catering Apprenticeships

Poultec has a track record of successfully delivering Apprenticeships for 20 years. Not only can we deliver the training required but we can also assist the employer in the recruitment of the Apprentice.

As part of the Apprenticeship reforms, Apprenticeships are changing from frameworks to standards. Poultec is a Government-approved training provider of both the Apprenticeship frameworks and standards.

Employers with a payroll over £3million, who pay into the Apprenticeship Levy can use this to fund Apprenticeship. Poultec has access to ESFA funding for employers with a payroll less than £3million, which can fund up to 90% of the Apprenticeship.
