Apprenticeships

Hospitality & Catering Apprenticeships

Poultec has a track record of successfully delivering Apprenticeships for more than 20 years. Not only can we deliver the training required but we can also assist the employer in the recruitment of the Apprentice. Our hospitality and catering related qualifications include the following;

Level 2 Production Chef Apprenticeship Standard

- Level 1 Functional Skills Maths and English

Level 2 Hospitality Team Member Apprenticeship Standard

- Level 1 Functional Skills Maths and English

The final part of the Apprenticeship is an independent End Point Assessment consisting of a multiple choice test, a practical observation, a project and a professional discussion.

Level 2 Production Chef Apprenticeship Standard

The production chef qualification is designed to suit a range of challenging kitchen environments e.g. schools, hospitals and care homes. The role is likely to include working as part of a team with centrally developed standardised recipes and menus, producing food often in high volumes. It teaches you high methodical organisational skills, accuracy and attention to detail. Units include;

- Techniques for the preparation, assembly, cooking, regeneration and presentation of food.
- The importance of organisational/brand specifications and consistency in food production.
- Procedures for the safe handling and use of tools and equipment.
- Principles of customer service and how individuals impact customer experience.

Level 2 Hospitality Team Member Apprenticeship Standard

The hospitality team member qualification is designed to suit a range of establishments. The role is very varied and although hospitality team members tend to specialise in one area, they have to be adaptable and ready to support team members across the business, for example during busy periods. The most important part of the role is developing fantastic 'hospitality' skills and knowledge. Units include;

- Recognise customer profiles in hospitality and how customers have different needs
- Know how the activities in hospitality businesses can have a negative effect on the environment
- Understand how to work with people from a wide range of backgrounds and cultures

Specific Short Courses

Poultec offers a range of short courses which are designed to complement our Apprenticeships. Courses include those accredited by the Chartered Institute of Environmental Health, as well as courses specifically tailored for the company's needs and bespoke content to ensure that it is relevant to specific procedures and practices. These courses can be delivered at our premises, at any other suitable location or remotely.

- Level 2 Award in Food Safety
- Level 3 Award in Food Safety
- Level 2 Award in Principles of HACCP
- Level 3 Award in HACCP
