# Apprenticeships

## Warehousing Apprenticeships

Poultec has a track record of successfully delivering Apprenticeships for more than 20 years. Not only can we deliver the training required but we can also assist the employer in the recruitment of the Apprentice. Poultec offers Apprenticeships for people who are starting their career within a warehouse environment. Our qualifications include the following;

### Supply Chain Warehouse Operative Apprenticeship Standard

- Level 2 Certificate in Warehousing & Storage

These may also include Functional Skills in English and Maths at Level 1. The final part of the Apprenticeship is an independent End Point Assessment consisting of a knowledge and behaviour test and a practical assessment.

# Specific Short Courses

Poultec offers a range of short courses which are designed to complement our Apprenticeship programmes. The content can be bespoke to your organisational requirements to ensure that the course is relevant to your own procedures and practices. These courses can be delivered at our premises or at any other suitable location.

- Manual Handling
- First Aid
- Health & Safety
- Ladder Safety

in Warehousing

## Level 2 Certificate in Warehousing & Storage

This Level 2 qualification is aimed at people wanting to work in a warehouse environment. Warehouse activities include taking deliveries, checking for damaged/missing items, storing goods, moving stock by various methods, picking/packing orders, loading goods for dispatch, maintaining stock records and documentation, and cleaning. This qualification is flexible and is tailored specifically to the needs of the employer and student.

Units available include;

- Health, safety and security at work
- Develop effective working relationships with colleagues in logistics operations
- Use equipment to move goods in logistics operations
- Keep stock at required levels in logistics operations
