Level 2 NVQ Diploma

Level 2 NVQ Diploma in Performing Manufacturing Operations

The Level 2 NVQ Diploma in Performing Manufacturing Operations is the primary qualification of the Level 2 Intermediate Apprenticeship. Units within the NVQ Diploma are selected to ensure that they fit around the learner's workplace and are selected in consultation with both the employer and the learner. The Level 2 NVQ Diploma is delivered at the learner's place of work to minimise disruption and portfolio work is generated in an on-line format. Units available include;

- Producing formed products
- Making products using computer controlled equipment
- Controlling manufacturing operations
- Analysing the results of inspection confirming quality of production
