# Apprenticeships

## Horse Care Apprenticeships

Poultec has a track record of successfully delivering Apprenticeships for more than 20 years. Not only can we deliver the training required but we can also assist the employer in the recruitment of the Apprentice. Poultec offers Apprenticeships in horse care are for people who are just starting their career or for people who already work within an equine role. Our qualifications include the following;

### Level 2 Equine Groom Apprenticeship Standard

- Level 2 Diploma in Work-based Horse Care
- Level 1 Functional Skills in English and Maths

### Level 3 Senior Equine Groom Apprenticeship Standard

- Level 3 Diploma in Work-based Horse Care & Management
- Level 2 Functional Skills in English & Maths

The final part of the Apprenticeship is an independent End Point Assessment consisting of a multiple choice test, a practical observation and a professional discussion.

in Horse Care

## Level 3 Diploma in Work-based Horse Care & Management

This qualification is for people who are currently or aiming to become a yard manager. A Senior Equine Groom will coordinate the day to day care of the horses as well as lead and manage other members of staff. They will have and gain more knowledge to implement effective systems to run the yard efficiently.

Units are selected to ensure they fit around the candidate's workplace i.e. riding, non-riding or coaching which ensures all training is fully relevant. Units cover;

- Yard and Field Routines and Management
- Safe Working Practices
- Horse Anatomy, Physiology and Welfare
- Nutrition and Fitness

in Horse Care & Management

## Level 2 Diploma in Work-based Horse Care

This qualification is very practical and "hands on" and learners will work under supervision individually or as part of a diverse team. The Equine Groom is an integral part in the life of the horse providing essential day-to-day care. Units are selected to ensure they fit around the candidate's workplace i.e. riding, non-riding or coaching which ensures all training is fully relevant. Units cover;

- Yard and Field Routines and Duties
- Horse Anatomy, Physiology and Welfare
- Horse Handling, Care and Appearance
- Non-Ridden Exercise
- Travelling Horses
- Saddlery and Equipment
