## *Level 3 Diploma in Dental Nursing*

As part of the Dental Nurse Apprenticeship Standard you will complete a level 3 Diploma in Dental Nursing. You will learn how to provide chairside support to dental professionals and deliver a high level of patient care. The diversity of the units in this Diploma covers a variety of clinical environments and reflects all aspects of clinical responsibilities and duties of a dental nurse's role. In addition, it will provide the apprentice with the relevant qualification to apply to the General Dental Council (GDC) for professional registration as a Dental Nurse. Units available include;

- Cross infection
- Dental radiography
- Anatomy and physiology

On successful completion of this apprenticeship the apprentice will be competent and ready to work within a dental practice as a Qualified Dental Nurse.
